💡 Planting green, lysimeter trails, widespread no-till, #soilhealth parameters, great innovative farmers, and research projects 🌱🌱🌿🌿.

We're seeing many exciting things here on our USA-Canada trip so far, Ohio next!!
Thanks for all the warm welcomesusdkCA

Another great day on the study tripus
Visit at Cornell University resulted in a lot of good information on Soil Health Indicators and how to measure them 📈🌟
..and some nice soil painting 🎨😊
Together with Rasmus E. Jensen #SEGESInnovation
