Objet : Invitation to Biodiversa+ Enlarge Stakeholder Board meeting in Paris

Dear ESB members,

I hope you are doing well. Please find in this email an invitation to the **Biodiversa+ 2<sup>nd</sup> Enlarged Stakeholder Board meeting** and a **form for you to complete** to organise the travel of members to Paris.

On behalf of Biodiversa+, I am delighted to announce that this year's *Biodiversa+ Enlarged Stakeholder Board meeting will be on 2-3-4 May 2023*. As your organisation is a member of this board, we are truly pleased to invite you to Paris for this event. We believe this event will be a great occasion to finally meet in person, as last year's edition of the ESB meeting was online. The Enlarged Stakeholder Board brings together a diversity of stakeholder organisations in the field of biodiversity, ecosystem services and nature-based solutions research and innovation and is directly mobilized in the design and implementation of Biodiversa+ activities.

One representative per member organisation can attend the meeting, **we are asking you to please fill out the following form in order for us to organise your (or the person from your organisation that will attend) trip to Paris [REDACTED] by Friday 17<sup>th</sup> March COB.**

We will contact you shortly about the practicalities and the booking. The French Foundation for Biodiversity will be in charge of organising the travel and reimbursement of expenses.

We are really looking forward to meeting you in person in Paris. For any questions you may have, you can contact Frédéric and me.

Have a nice end of the day.

Sincerely,

Julia and Frédéric
